Date: Dec 25, 2015

To: Site Manager

We hereby notify that VCCI Certificate issued from December is modified as below.

1. Annotation of “ ※comments on appendix attached” is added on Certificate in case any comment is made by Registration Committee.
2. Details of Registered Instruments of facility for “Conducted disturbance measurement at Telecommunication Port” are specified in the Certificate.
(i.e. ISN [55dB, 65dB, 75dB], Current Probe, Capacitive Voltage Probe)
3. Some items listed on the Certificate are rearranged.

We want you to know that these modifications make no influence on the efficacy of the existing Certificate.

Secretariat of Registration Committee for Measurement Facilities

VCCI Council
